YEAR ENDED 30th APRIL, 1929.

THE Executive Committee have pleasure in presenting the following report for the year ended 30th April, 1929.

Fourteen street accident cases were admitted.

The total number of days in Hospital was 4151 as compared with 4660 for the previous year. The average number of days each patient remained in the Hospital was 26·0 as compared with 20·7 for the previous year.

93 major and 118 minor—211.

Total number of outpatients was 373 being a decrease of 99 on the previous year.

Number of dressings 2014. Massage treatment 158.

The number of Xray examinations is 137 being an increase of 7.

Total number of beds 32.

It is interesting to note how the services rendered at the Hospital have increased since its inception.

For the year ending 30th April, 1904, 39 in-patients and 7 out-patients were treated and seven operations were performed.

In reviewing the finances for the year it is gratifying to note that the receipts have exceeded the payments on Maintenance Account by £180 10s. 5d.

The total income received was £2,512 19s. 9d. as against £2,644 5s. 4d. for the previous year, a decrease of £131 5s. 7d. and the expenditure for the current year is £2,332 19s. 4d. as against £2,570 5s. 6d. a decrease of £237 16s. 4d.

To the Works Employees we have once again to specially allude to the loyal support which they continue to accord to the Funds of the Hospital.

The magnificent sum of £1,063 16s. 10d. is a tangible illustration of their appreciation of the efficient services which the Hospital renders to those who require its ministrations.

The collections at the Churches on Hospital Sunday realised £69 4s. 10d. being a slight increase of £2 12s. 2d.

In respect of Special Contributions we received £579 16s. 1d. a decrease of £174 17s. 5d.

As a means of revenue, the amounts raised under the heading of "Special Contributions" must always be regarded as of a more or less fluctuating quantity chiefly owing to the circumstances prompting the appeal and the personnel of the promoters varying from time to time.

This point is illustrated by the desire of the members of the R.A.O.B. who were anxious to hold their Annual Carnival on Whit Monday 1928 but owing to circumstances beyond their control were unable to do so, hence the funds of the Hospital suffered to the extent of about £50.

Further, Mr. Councillor Ashley, who in the year 1927-28 was instrumental in raising over £100 by organising Saturday evening dances, had this year to discontinue the dances at Christmas owing to increased competition which was quite unforeseen, with the result the amount raised was only £21 5s. 0d.

The balance at the commencement of the year was £76 8s. 10d. and your Executive Committee has decided to transfer £175 2s. 2d. to the Endowment Fund Account which leaves a balance in hand of £81 17s. 1d.

The foregoing brief résumé of the accounts indicate the somewhat steady position of the finances.

The members of the Committee are most grateful for the support which has been accorded to them and desire to acknowledge their appreciation to all those who have contributed in any way to maintain the high standard of efficiency which has always characterised the work so cheerfully and willingly performed by the Matron and her staff.

To the Ladies' Committee our thanks are again due for their share in the general administrative work of the Hospital. Also for so kindly organising Alexandra Day and the Linen League which has resulted in so much benefit to the Hospital.

It is again our pleasure to pay tribute to the self-sacrificing efforts of the workers connected with the Runcorn Annual Festival. Without their assistance, our financial position would not be so favourable. The splendid sum of £355 7s. 0d. was handed over, being an increase of £22 18s. 3d. To the officers and members of the numerous Committees we extend our heartiest congratulations on the successful result attained.

To the Hospital Dance Committee, and the Hospital Bowling and Lawn Tennis Committees our gratitude is also expressed.

In short it is only the limitation of space which prevents the individual acknowledgment of every worker.

Mr. Wilding, our Honorary Architect continues to give us the benefit of his professional skill and which is greatly valued, also Mr. E. Tweedle and Mr. John E. Rowles have again kindly acted as auditors of the accounts.

Without once again expressing our good fortune in being favoured with the professional skill of Mr. Simpson of Liverpool as the visiting surgeon this report would not be complete and we sincerely trust that he will long continue to honour us with his services.

During the year a new wireless set has been installed at the Hospital which we trust will add to the pleasure of the patients and Staff.

The cost was defrayed out of a special fund raised by the Matron and to Dr. J. B. Murphy we are indebted for the kindly interest he has taken in arranging for the installation.

It is with the deepest regret that we record the passing of three of our Vice-Presidents—Sir John Brunner, Bart., Mr. John B Chadwick and Alderman R.H.Posnett, J.P.

Mr. Chadwick was a generous supporter of the Hospital and most interested in everything appertaining to its welfare.

Mr. Posnett, who had been the President of the Hospital on five occasions had also been a member of the Executive Committee for twenty-five years.

In the scheme for the erection of the Hospital and in the subsequent development of its services Mr. Posnett always displayed an anxious interest.

As a result of his benefactions the equipment and facilities for the treatment and comfort of the patients have been improved, the Hospital enlarged and an endowment created.

Sir John Brunner's association with the town and district extended over many years and the Hospital has lost a generous supporter who will long be remembered for his kindly disposition and general concern for the welfare of the people of Runcorn.

We are enriched by the memory of these three gentlemen and our deepest sympathy is sincerely expressed with their bereaved families.

On behalf of the Executive Committee,

GEORGE H. GARNER, Chairman.

JOHN HOWARD, Hon. Secretary.

FORM OF CLAUSE to be inserted in the Will of a Testator or Testatrix, bequeathing a Legacy to the Hospital.

“I bequeath to the Trustees of the Runcorn Victoria Memorial Hospital, the sum of £ : : free of duty, to be paid, together with the duty thereon, out of such part of my estate as can lawfully be bequeathed for charitable purposes, and to be applicable for the general purposes of such Hospital, and I declare that the receipt of the Secretary or other proper Officer for the time being of such Hospital shall be sufficient discharge for the same.”
